The Hospital for Special Care Ivan Lendl Adaptive Sports Camp, a program of Hospital for Special Care Community Services, Inc., will be held at Berlin High School, Berlin, Connecticut: August 5 - 9, 2019.

Camp, offered free-of-charge to youth ages 6-19 living with physical disabilities, is held Monday – Friday from 9:00a.m. to 4:00p.m. Instruction is provided in a variety of sports such as tennis, track and field, basketball, and soccer. No previous sport experience is necessary. Campers are asked to bring their own wheelchair and other personalized adaptive equipment for greatest success. A number of sport wheelchairs will be available for trial use during camp, but are to be shared equally among all campers. NEW this year is an option for campers to select a “SPORTS INTENSIVE” week of camp that will provide opportunity for advanced skill development and focus on 1-2 sports with dedicated coaching staff and volunteers. See additional application for more information. *Coach review and authorization required for the sports intensive so get your application in early if you are considering this opportunity.

The HSC Sports & Community Program Manager serves as the Camp Director, providing leadership and oversight. Support staff include: a registered nurse, coaches and program specialists with experience in adaptive sports and recreation and counselors who themselves are athletes living with physical disabilities. Additionally, camp relies heavily on volunteers from the community, of whom many have been associated with the camp since its inception.

REGISTRATION is easy. Please follow these steps:

- Step 1: Reserve your spot today by calling (860-832-6220) or emailing me that you are requesting a place so that I can reserve a spot for you: (jconnolly@hfsc.org)

- Step 2: Complete and return the Registration Form and Liability Release. *(Registration is on a first-come, first-serve basis, with ALL FORMS DUE no later than JULY 20, 2019.)*

- Step 3: Complete and return the enclosed health/exam record by July 20, 2019. Note: Health Exam records are good for 3 years so if you have one dated within this time frame, you may use it. Campers who will be bringing medication to camp are required to complete an Authorization for medication administration form in addition to the medical form. *Placement is contingent upon receipt of a completed Health Exam form signed by a physician, PA or APRN or RN.*

All registrants will receive a confirmation email that includes details such as acceptance, list of what to bring, a sample schedule and family and social opportunities during the week of camp.

Hospital for Special Care is very proud of the HSC Ivan Lendl Adaptive Sports Camp. It is so much more than sports skills acquisition. It’s about relationships, independence and leadership skills that are acquired and the many positive memories that are made. Don’t miss out on your opportunity to be involved.

Sincerely,

Janet

Janet Connolly, MS, CTRS
