## 2019 Sport Intensive Application

**New in 2019:** Opportunity for youth living with physical disabilities to have greater intensity and sport development than the traditional multisport camp offerings taking place at the same time and location. Sport intensive program applicants may select up to two sports to focus on for the duration of the week. The sports offered are: tennis, basketball, and track & field. Coaches for the sport intensive program are highly skilled and have competed and/or coached at the international level. Individuals requesting placement in the sport intensive program will devote every day to their focus sport(s) while traditional campers engage in introductory recreational sport activities. Please complete this application if you would like to be considered for the sport intensive program.

*Space is limited. Coach review and authorization is required.*
