Class Descriptions

THERAPY POOL

Mindful Moves - Increase self- awareness of your movement through exercises that promote balance, coordination, flexibility and range-of-motion. Tai Chi & Qigong elements introduced.

Aquatic Yoga – Release stress and rebalance the body utilizing ancient techniques of Yoga. Learn breathing techniques to progressive relaxation, along with yoga poses to improve your strength and balance.

Mobility & Flexibility – Gentle, flowing movements from head to toe help with balance, range of motion, and activities of daily living, allowing you to keep doing the things you enjoy.

Aquatic Arthritis – Gentle movements in the water that target range of motion to help reduce joint pain and stiffness. The movements will improve flexibility, muscle strength, coordination and stamina.

LAP/FITNESS POOL

Aqua Surprise – You will be surprised with a different workout every time! Class will be taught in deep and shallow water and includes the use of noodles, gloves, belts and resistance equipment.

Cardio/Strength – This highly motivating class gives you cardio and strength training all in one. The class is taught in the shallow water.

Deep Aqua Fit – A non-impact, deep water aerobics class that works a variety of muscle groups as well as the cardiovascular system. The class utilizes buoyancy belts, gloves and hand buoys.

S’WET Silver- Provides a low impact, joint friendly workout targeting strength, balance, and muscle endurance utilizing water’s natural resistance. Your choice of shallow or deep water (with a belt).
